

Product Data Sheet

Article: Headband

Technical characteristics

Shell fabric	100% polyester
Lining	No lining
Sizes	One size
Color	Sublimation (any color)

Description

The Oland headband is extremely comfort for use while running or any training activity. It is usually used to prevent sweat coming to your eyes or to hold your hair.

The outer part of the headband is made of polyester so it could be customized but the inside is made of soft, thin cotton which makes the feeling of use amazing and also absorbs the sweat.

Wash at 40°C
or less

Do not bleach

Iron at low degrees
(not more than 100°C)
