

Product Data Sheet

Article: Classic Training Jacket

Technical characteristics

Shell fabric	100% polyester 60 g/sqm
Lining	No lining
Sizes	XS-3XL
Color	Sublimation (any color)

Description

Classic training pants are made of 60 g/sqm polyester which helps to be a tough resistance against wind, it also reacts good on the first rain drops.

The pants are also equipped with lycra (190 g/sqm) panels on the back for best performance while running.

In addition we have added a reflective element on the back for maximum visibility while running at late hours.

The placement of the lycra panels helps the athletes to move freely while training.

Wash at 40°C
or less

Do not bleach

Iron at low degrees
(not more than 100°C)
